

2011-2012 Cruise Guide

The World's Top Cruise Port

At the Port of Miami, we believe the port you set sail from should be as enticing as the ports on your cruising itinerary. From the dramatic skyline of downtown Miami just across the causeway, to the sparkling waters of Biscayne Bay, the Port of Miami delivers a tropical vacation experience like no other port in the world.

The Port of Miami set yet another world record with 4.15 million cruise passengers in Fiscal Year 2009/10. Miami continues to be the departure destination of choice for cruises to the Bahamas, the Caribbean, Mexico and other exciting destinations. The 2011 cruise season features three new ships in the line-up including some of the world's most luxurious and innovative vessels.

Known worldwide as the "Cruise Capital of the World", Miami is the global headquarters for three of the world's leading cruise lines: Carnival Cruise Lines, Norwegian Cruise Line and Royal Caribbean Cruises Ltd.

Seven cruise terminals, some of the most modern in the world, are designed to quickly move passengers from land to sea. Drive-in passengers can opt for convenient on-port parking with special arrangements for travelers with disabilities. For those arriving by taxi, shuttle bus or limousine, drop off is directly in front of each terminal and entryways are designed for quick and check in and boarding process.

Miami's Newest Vessels

Two new builds, and one returning cruise line, add excitement to the Port of Miami's 2011 cruise line-up.

The *Celebrity Eclipse*, Celebrity Cruises' newest upscale and widely acclaimed Solstice-class ship, is a 2,800-passenger vessel which will sail alternating 7-night eastern and western Caribbean itineraries.

Oceania Cruises delivered its ultra-deluxe ship, the *Marina*. This first-newbuild for Oceania will sail a series of 10- and 18-night cruises from Miami.

Costa Cruises will return to the Port of Miami with the *Costa Atlantica* in January 2011. The vessel operates a series of 7-day eastern and western Caribbean cruises.
